

TLH Leisure Resort comprises the TLH Derwent, TLH Victoria, TLH Carlton & TLH Toorak Hotels and the TLH Victoria and TLH Carlton Apartments. The Resort complex is situated on a single 7 acre site with many shared leisure and entertainment facilities. It is located near Torquay sea front.

The buildings are constructed on many different levels. We are constantly striving to improve access across TLH Leisure Resort with an ongoing programme of works. Whilst we aim to meet the needs of all of our guests, there are some features across the site which might make access difficult for people with limited mobility.

We look forward to welcoming you. Our Reservations Team can offer advice about all four of our hotels. If you have any queries or need any assistance please call 01803 400500 or email [rooms@tlh.co.uk](mailto:rooms@tlh.co.uk).

## Pre-Arrival – General Information

- The town centre is a 10 minute walk, but quite hilly in places.
- The seafront and harbour are a 10 minute walk and fairly flat.
- There is a regular bus service from the seafront to Paignton, Brixham, Dartmouth and most of the tourist attractions.
- Torquay Railway Station is 750 metres or a 5 minute walk and it provides rail services to most major towns and cities.
- There are local taxi companies who offer disabled friendly taxis and minibuses. These are: The Wheelchair Taxi Company 01803 644644; Torbay Taxis Ltd 01803 211611 or Torbay Cab Company 01803 292292.
- Menus, hotel information and tariffs are available in larger print upon request.
- We have a list of local equipment hirers available on request.

## TLH Derwent Hotel

- The TLH Derwent Hotel is the largest of the TLH hotels with 174 bedrooms.
- The main entrance to the hotel has 12 steps from street level to ground floor. There is a street-level entrance with two lifts located nearby. Given the age of the building the lifts are fairly compact but will take a wheelchair.
- The access door has an intercom that alerts reception staff as the street level entrance may be locked on occasions for security reasons. The area is partially covered by CCTV.
- Floor surface to the lifts is short pile carpet.
- The lifts access the ground floor reception area. The lifts also provide access to three floors. One of these lifts also provides access to the fourth floor.
- Ramps are located around the ground floor areas where there are level changes, allowing for standard wheelchair access to our restaurant and access to other areas of the complex.
- It should be noted that there is stair access internally between the TLH Derwent and TLH Victoria hotels however it can be accessed on the level externally.

### Arrival & Car Parking Facilities / Main Entrance & Reception

- The main entrance to the TLH Derwent Hotel is located on Belgrave Road.
- Any driver with a Blue Badge can request a reserved space in advance by contacting the Hotel Reception on 01803 400100. Specific disabled parking, located at the front of the hotel entrance, is limited and once disabled bays are all taken, Blue Badge parking may not be in a designated bay and the width of the bay therefore will be limited.
- Additional reserved parking can be found around the side and rear of the building and parking is available in any car park with the TLH logo on it.
- Luggage can be unloaded at the front entrance in the Drop Off space and reception will assist with parking information. We offer a 24 hour Porter service to help you with luggage from your car to the room.

### TLH Derwent Bedrooms

- There are 174 bedrooms offering single, double, twin and family rooms.
- There are 4 disabled friendly rooms all located on the first floor. These rooms are not fully adapted disabled rooms, but provide a shower cubicle and handrail assists by the toilet. They generally have wider access doors and a greater turning area for standard wheelchairs. For exact dimensions and greater detail you should consult with the hotel's Front of House team who will be able to give clear room dimensions.
- A large number of our rooms are accessible by lift, but not all rooms. Twin, double and family room combinations are available. These rooms have flexible layouts and furniture can be moved to accommodate different needs.
- Bath and toilet seats are available on request or equipment can be hired from a local company prior to arrival.
- Other features applicable are short pile carpet in all bedrooms and 24hr assistance. Bedding is sheets, duvets with non-feather pillows (other bedding is available upon request).
- Emergency procedures are displayed on the back of all doors. Special assistance door hangers are provided in all rooms in the case of an emergency. Room information booklets are displayed in all rooms with more in depth information of facilities. If you will need extra assistance in the event of an evacuation please inform reception upon arrival at any hotel.

### En-Suite Bathroom, Shower-room & WC

All rooms have an en suite bathroom with a shower over the bath. Some of our rooms are described as "disabled friendly". Additional bathroom equipment for disabled guests is available on request and can be booked when a reservation is made.

### Toilet Facilities - Public Areas

### TLH Leisure Resort General Areas & Shared Facilities

- The Aztec Spa, indoor swimming pools and gym are situated between the TLH Derwent and TLH Carlton Hotels and can be accessed via the lower ground floor entrance to the TLH Derwent Hotel on Belgrave Road.
- The spa can be accessed via the lift and staircase at the rear of the TLH Carlton Hotel reception and then via the stairs between the Aztec Bistro and Aztec Shop. The Spa is on the lower ground floor with a flat entrance with wide doors big enough for a standard wheelchair.
- Lift access to the Aztec Spa area can be arranged with the TLH Carlton Hotel Management.
- The spa has 5 treatment rooms offering a range of treatments, details of which can be found elsewhere on our website.
- The treatment rooms have adjustable beds and each room has its own shower facility. All treatments and consultations are carried out on-a-one to one basis and are tailored for the individual client. For more information and a consultation, the spa can be contacted directly on 01803 400190. Our fully trained therapists are in constant attendance whilst the spa is open and are on hand to assist guests.

### TLH Leisure Facilities

- Most of our leisure facilities are in a central area within the complex.
- The complex shares a 25m swimming pool, a smaller fun pool, gym, sauna, Jacuzzi and steam room.
- These facilities are open from 7am - 9pm each day and are attended by qualified staff.
- Access to the pools and gym is possible for mobility restricted guests and is the same as the spa – see details above.
- It is best to contact a member of TLH Carlton reception first who can telephone the pool reception and arrange for assistance into the area.
- The pool changing area has changing cubicles. These cannot fit a standard wheelchair, but offer privacy and seating inside them. The walkway to the pool is flat and easily accessible once inside the main entrance.
- Facilities such as the sauna and Jacuzzi are not suitable for mobility restricted guests.
- It is possible to access the steam room as this entrance is flat. Entrance to the gym is on a short slope and can be accessed by a standard wheelchair. Much of the equipment is not accessible, although free weights and mats are available.
- Staff in the pool area are on hand to assist mobility restricted, blind and deaf guests who may require extra help.

For any additional information please call our Private Reservations Team on 01803 400500.

## Aztec Games

Internal access to the Aztec Games area is via one of two sets of stairs at either end. The area can be accessed externally on the level via ramps down to the main entrance. The 10 pin bowling lanes have a ramp which can be used for wheelchair access. Toilets are located on the level as you enter the games area, they include male and female toilets and a full disabled toilet.

## Bowls Arena & Club House

Access to the bowls arena from the hotels is via small sets of stairs. Once in the area of the complex that the bowls arena is located in the rink is fully on the level.
